

M/Y MOKA
FOR CHARTER

M/Y MOKA

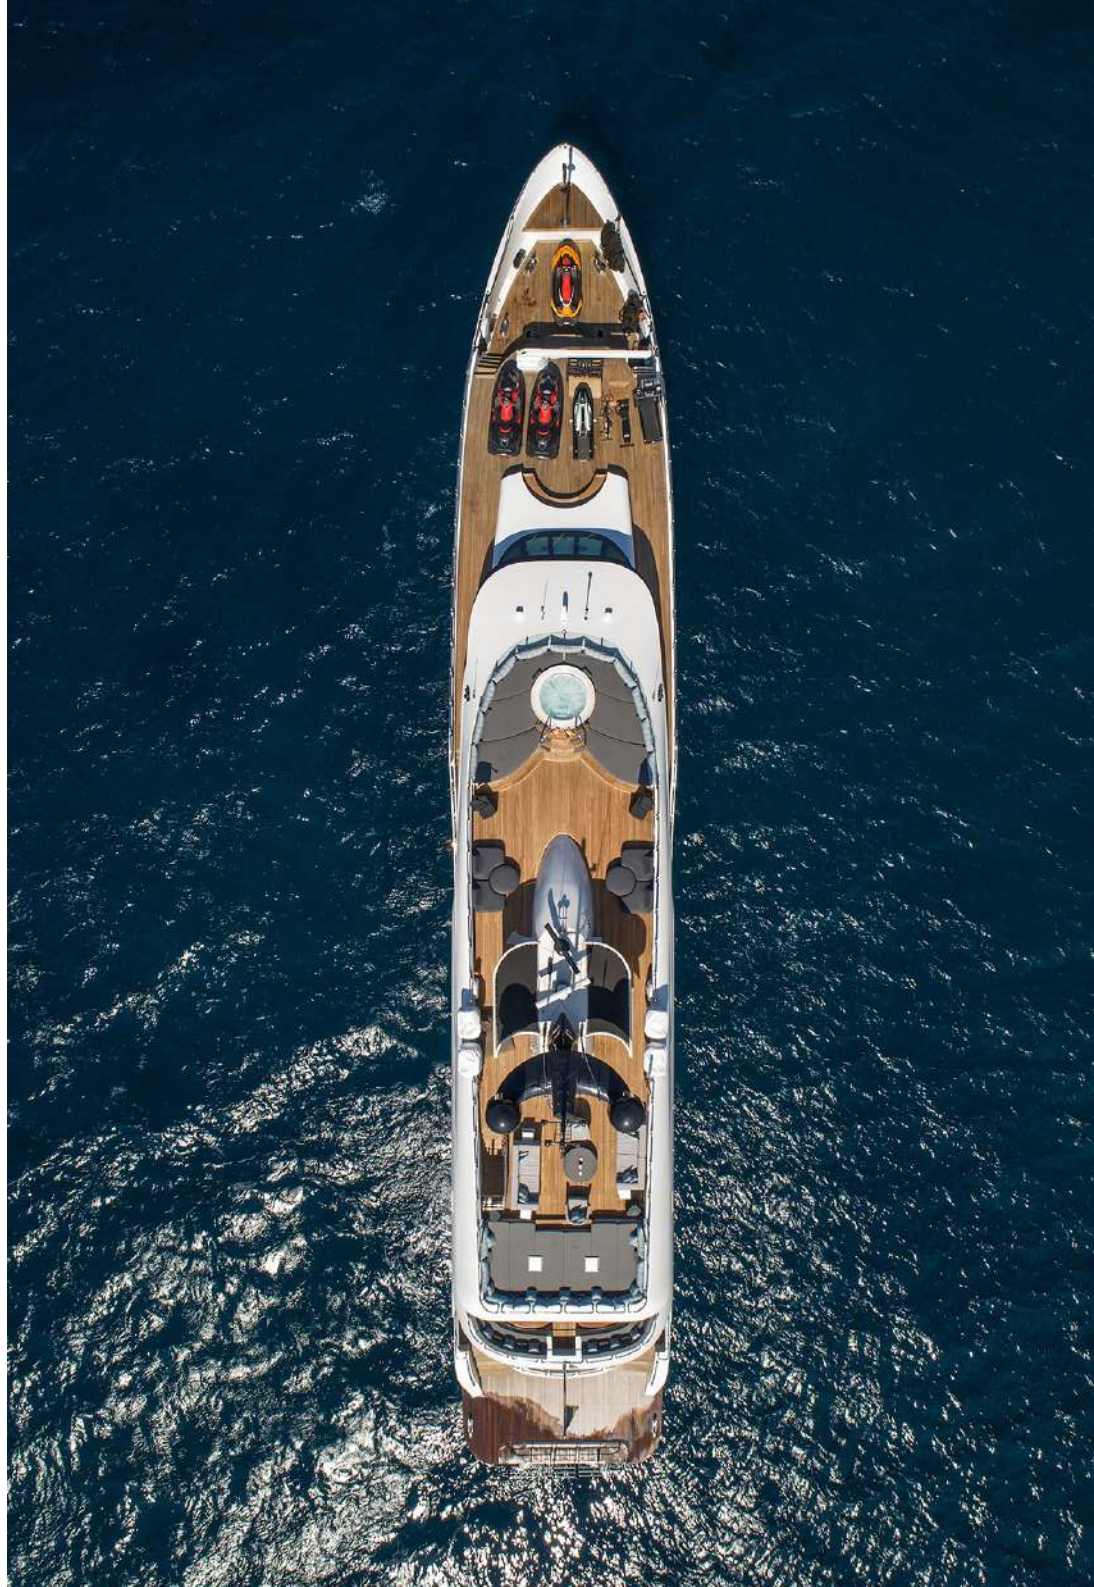

The "Moka" motor yacht, measuring 50.81 meters in length and built by the Turkish shipyard Miss Tor Yacht (Orucoglu), can accommodate up to 12 guests in 6 cabins for charter.

She features a range of indoor and outdoor social and dining areas, making it perfect for entertaining and relaxation.

The yacht, built in 2014, includes a master suite, one VIP cabin, and four double cabins. She also has the capacity to carry a crew of up to 11 people to ensure a luxurious charter experience.

Onboard amenities include a gym with state-of-the-art equipment, a deck jacuzzi, and Wi-Fi connectivity. She has air conditioning for comfort, and her semi-displacement steel hull and aluminium superstructure, powered by twin Caterpillar engines, allow for a cruising speed of 11 knots and a maximum speed of 14 knots. An advanced stabilisation system helps reduce the yacht's side-to-side roll for a smooth ride.

Moka comes with a variety of water toys and accessories, including a Flyboard, Jet Skis, towable toys, a seabob, wakeboards, fishing equipment, inflatable water toys, kneeboards, and an 5.5-meter Diverib tender.
