# DESCRIPTION

Manegor offers the unique opportunity in the French Riviera to own a Bertram 540 with low engine hours and in excellent condition inside and out!

The boat was first registered in June 2010, flies the UK (London) Flag and her main engines only feature 650 hours (July 2022).

The yacht was ordered and commissioned by her current (and only) owner and comes with full equipment and history. She was stored every winter in a shed and professionally maintained by the local Bertram dealer.

If you wish to acquire a very solidly built boat which stands out in every port, Manegor is most probably one of the best options on the market!

# FULL SPECIFICATIONS

---
